COPYWRITER & SOCIAL MEDIA STRATEGIST

Hey there! My name is Chelsea, and I live in the Dayton, Ohio area.

I am a wife, and a mom of two little balls of energy (one boy and one girl!) and I have a passion for fitness, outdoor activities, and reading 📖.

I am an Enneagram 2, and a giver by nature, and have found that my greatest joy and feeling of accomplishment in my career comes from the behind the scenes work. I am big on details and making sure systems run smoothly so I can assist business owners in making their lives easier and providing top notch customer service to their clients.

I look forward to meeting you and helping you take your business to the next level!
